You say you're uncertain
Your heart's drawn the curtain
And you need a little time
When what we were sharin'
Was far beyond carin'
You know that as well as I
But it seems you want to hide the truth
Your indifference in the bitter proof...

Chorus: That you're letting me go
 Through this world all alone
 But for so long you truly loved me

I've waited for years
Worn a smile, shed my tears
Just to keep you satisfied
Though the road has been rough
I've watched you fall and picked you up
And I've forgiven a thousand lies
Now I don't know what I'm gonna do
Cuz I built my ev'ry dream on you...

Chorus: And you're letting me go
 Through this world all alone
 But for so long you truly loved me

Bridge: Now I cry myself to sleep each night
 Though I know that it was never right...

Chorus: And you're letting me go
 Through this world all alone
 But for so long you truly loved me
